IMMDT. PAST
CHAIRPERSON

ANNABELLA SALIS
HON. TREASURER

2020-2021 MANAGING COMMITTEE

President Emeritus left for heavenly abode on 15th September 2020

Penned by Hyacinth Arya

An Ode as a silent Admirer:
Homai was elegance galore and a great visionary. In her approach and deeds she was a large missionary. She has left behind her immortality, IASAP is indeed a result of her passion, vigour and vitality. Homai leaves behind a vacuum never to be filled. Her new abode in heaven is as God has willed. She will continue to give her unstinting mentoring from heaven above. That's just the Homai's way of showering her love. I will miss her jaw dropping Aww, in every way. After all I took the liberties to trouble my sweet Kurkure.. In grief - Hyacinth

Penned by Geeta Rao

Mrs Homai Mehta, President Emeritus, changed my life completely since I met her way back in 1986 in Mumbai, at the time of SOTYC. She was impressed with Kashmira and me for having gone all the way to Mumbai to participate in SOTYC. After the test, she called us aside and briefed us about NIPS and persuaded us to start a chapter in Pune. I was naïve and timid those days and did not know how to go about it. Then she invited me to attend the All India Convention in Mumbai where I was introduced to the then Chapter Chairs who briefed me how to go about it. Once we agreed to the idea of starting the NIPS chapter in Pune, Homai guided us at every step. She told us that we could start with just 8 or 10 secretaries to begin with. So Kashmira brought a few of her friends and so did I. We all met a few times and discussed the possibility of starting a chapter in Pune.
