

INDIAN ASSOCIATION OF SECRETARIES AND ADMINISTRATIVE PROFESSIONALS

CIRCULAR
August 2018

Our first session for 2018 – 2019 scheduled as under :-

Most of you may have heard about **TEACH FOR INDIA** a social initiative by Times of India. This social initiative brings together children in need of education & people who can contribute a little time towards teaching them. It is based on one simple principle : If you have the desire to teach, you will be introduced to children who are willing to learn.

The vision is to see that every child attains outstanding education.

We have **Abhimanyu Sarkar** who will be talking about the big achievements and success story of Teach For India. Do join us to understand how one can link the moment.
