

Dear Ladies,

Since the response for our overnight Educational Tour at Sakar Eco Village was not that good, we have planned to go for a day tour which most of you wanted to.

As a part of our regular activity, this year we have planned an exciting and interesting Educational Tour to Suhana Agro Eco Factory at Yavat which is 45 kms from Swargate – Pune. The Eco Factory Foundation (TEFF), an NGO founded by Anand Chordia in 2016, created the country's first-ever waste management park called Suhana Farms,

A day out filled with excitement & learning with family & friends for IASAP members inclusive of Breakfast, Lunch , Hurda (depends on availability ) & Hi Tea  
From 9.00 am to 5.00 pm

- Organic Farm Round
- Sports activities
- Visit to an award winning Pravin Maselewala Factory
- A visit to India's first ever Waste Management Park , Learning & Awareness centre

As we have to confirm the resort in advance, we want all the RSVPs to pay online (NEFT, RTGS).

Also please note if members give RSVP and don't turn up for tour you will still be charged full amount.

**VENUE : SUHANA ECO FARMS , YAWAT, PUNE**

**Date – 9<sup>th</sup> February 2020 SUNDAY**

**RSVP :** [beroze.divecha@arwadeinfra.com](mailto:beroze.divecha@arwadeinfra.com)/ 9763708722 – Beroze Divecha
