

Dear Members,

We all are going through this pandemic Covid-19 and keeping ourselves as well as our families safe and healthy. Many of us are WFH going through some or the other stress .

Managing work life balance at home and still always smiling.

Since we are unable to meet for our monthly meetings in person, we now a days have a option for online meetings. We IASAP Committee always come up with some interesting sessions for our members,

This month we are inviting Ms. Devyani Kashyap to speak on Women, their mental health and Covid-19 . She has over 20 years of hands-on experience as an independent Scientist - Practitioner in helping skills as well as research work. Her expertise in Psycho diagnostic methods, Psychotherapeutic guidance, and audits in various areas of human resource viz. recruitment, training and development, performance management and interpersonal relationships.
