

Dear Members,

An equal world is an enabled world.

Individually, we're all responsible for our own thoughts and actions – all day, every day.

We can actively choose to challenge stereo types, fight bias, broaden perceptions, improve situations and celebrate women's achievements.

Collectively, each one of us can help create a gender equal world.

Let's all be #Each for Equal#

This month we have invited Ms. Rashmi Shiradkar to speak on the above subject. She is a certified NLP Coach (Neuro Linguistic Programming) i.e. Human Mind technology.
