

**SEPTEMBER 2020**

Dear Members,

" It's the little conversations that build the relationships and make an impact on people"

Am sure you have known people who have a knack to connect with others. No matter who they meet, they manage to create a sense of trust and understanding within minutes...and you are left wondering how?????

The session on "Art of Manifesting (Building Rapport)" by Rashmi Shiradkar, certified in Neuro Linguistic Programming will give you an insight on building rapport, establishing a two way connection, mutual attentiveness, positivity and coordination. This is a very effective method of Neuroscience and will help us connect with people both in our personal & professional relationships.

"Are we building walls instead of bridges?"

The session was conducted on 19th September 2020 at 6pm.
