

BOSS'S DAY - 29th October at one of Kolkata's prestigious Club

Your MC members have been working hard to make this year an eventful year. They have been working on events for every month. You have been a great contributor in making the events a success. Your Managing Committee team thanks you for taking time off and attending programmes regularly. Please be tuned to your notices for workshops, panel discussion, family evening, picnic, health/insurance presentation, public speaking courses, presentation workshop and many more programmes designed keeping in mind our vision and mission.

As you are aware October happens to be Boss's Month which is on 16 October but since this is falling during the Puja your MC members have planned a very special programme for your boss's. Once again, we look forward to your enthusiasm to make it yet another successful programme.

You are requested to kindly send in the names of your immediate Boss, Designation and Address to the following MC members by **30th September**. A programme is being designed by your Managing Committee and would request your co-operation to make this event a success.
